

Snehal Gohel wins Taking Saurashtra National – Ratna Award

Sheer passion for business, unconditional love for the nation and being a visionary for the future earned Shri Snehal Gohel the "Taking Saurashtra National Ratna Award" from Respected Chief Minister Shri Vijay Rupani on behalf of CNBC. The Saurashtra Ratna Award ceremony was held at Khirasara Palace, Rajkot, on the eve of 8th April, 2017. Mr Snehal Gohel was the only individual to be chosen for this Award from the entire Jamnagar city. Shiv Om Brass Industries joined hands with Germany's erstwhile Leipold Group couple of years ago to manufacture all kinds of Electrical engineering Products. Snehal owns a few manufacturing and inventory facilities in Surat, France, Germany, UK and USA and has long-lasting business clients worldwide. The unique thing about Shiv Om Brass Industries, Jamnagar, is that it runs day and night in three shifts and hasn't been shut down since 2009! Over the years, Shiv Om has become a leading name for manufacturing all types of precision brass components, sheet metal components, mild steel screws, nuts, bolts, washers and plastic moulding components.
